Captain v President

The Men's and Ladies captains liaise when choosing the Captain's Team but alternate responsibility for taking charge of the match. The Ladies captain took charge of the match in 2015.

Ladies v Gents

The Men's and Ladies sections alternate acting as the Home Team. It should be noted the home team offers the opposition a drink after the match. The home team in 2016 will be the Men's Section.

Finals Weekend

The time when all club competitions should normally reach a conclusion.

Exceptions can be agreed by the Competitions Committee but these will usually only be due to exceptional circumstances.
