

## Maiden Erlegh Bowling Club

### LOCKER ROOM

The locker room is primarily for the use of members who wish to visit the club during the afternoon or evening when participating in roll-ups and competitions.

A limited number of lockers are available. These are allocated according to need and availability. Please see the Club Noticeboard for contact details.

Bowls bags and other personal belongings must not be stored in the locker Room.

We have access to the Whiteknights Indoor Bowling Club for most matches and members are asked to use Whiteknights changing rooms on those occasions.
